

Fee Estimate Response — North Attleborough Public Schools (Sept. 29, 2026)

Mr. Ford,

This email is in response to your public records request submitted on September 23, 2026.

Please be advised that our good-faith estimate is that the time required to search for, assemble, review, and, if necessary, redact the requested records will be at least 10 hours. However, in the spirit of cooperation and in an effort to accommodate your request, the District is willing to limit its fee estimate to six hours of work, despite anticipating that the actual time required will be considerably greater.

Pursuant to the Massachusetts Public Records Law, the first two hours will be provided at no charge. Therefore, the District would charge for only four hours at a rate of \$25.00 per hour, resulting in a total fee of \$100.00.

We hope this accommodation demonstrates the District's willingness to work cooperatively with you while also recognizing the significant staff time required to search for, review, and produce the requested records.

Should you wish to proceed, please send payment of \$100.00, made payable to the North Attleborough Public schools to the address below. Upon receipt of payment, we will begin processing your request.
